

Cabot Square Capital sells Lendco

24 April 2026 – Cabot Square Capital today announced that it had completed the sale of Lendco Limited to Cerberus Capital Management, L.P.

Lendco is one of the UK's fastest-growing specialist Buy-to-Let and Bridging lenders. Since its establishment in 2018 as part of another Cabot portfolio company - SPF Private Clients - it has lent nearly £3 billion supported by seven public securitisations, several private warehouse and forward flow facilities. We had previously sold the other part of the group - SPF Private Clients, a mortgage broker - to Howden in 2022

Simon Knight, CEO of Lendco, said:

"The whole Lendco team is super excited for the next chapter. We have had a great partner in Cabot who helped build this business from a standing start."

""

Tarun Sharma, Partner, Cabot, added:

"It has been a privilege to partner with Lendco. Over the past eight years under our ownership Lendco has achieved tremendous growth and success. We are confident the business will continue to flourish as part of the Cerberus investment portfolio."

About Cabot Square Capital

Cabot Square Capital is a leading mid-market private equity fund manager focussed on cash-yielding assets (real assets, credit, infrastructure) and related services businesses in Western Europe. Established in 1996 and headquartered in London, Cabot Square Capital is currently managing its fourth and fifth private equity funds.

About Lendco

Lendco is a specialist Buy-to-Let and Bridging Lender. The company has around 60 employees and is based in London. It originates loans through registered intermediaries.

About Cerberus Capital Management

Founded in 1992, Cerberus is a global alternative investment firm with approximately \$70 billion in assets across complementary credit, real estate, and private equity strategies. Cerberus invests across the capital structure where it believes its integrated investment platforms and proprietary operating capabilities can help improve performance and drive long-term value.
